Improvement Programs

Race Tracks Tax Sharing Arrangement

The Province of Ontario receives a portion of every dollar wagered on horse racing in Ontario in accordance with the Race Tracks Tax Act. The amount of this tax is 7% on all types of wagers other than triactors which are taxed at 9%. In other words, 7¢ out of every dollar wagered goes to the Province with the exception of triactor where 9¢ is taken out.

In 1983 2% of the total amount wagered in 1982 or 2¢ out of every dollar was rebated back to the industry by the Government; in the case of triactor bets 4¢ out of every dollar wagered on triactors in 1982 was rebated.

This rebate is known as the Race Tracks Tax Sharing Arrangement and is under the direction and control of the Ontario Racing Commission.

Highlights of the 1983 Program

Standardbred

Breed Improvement Section:

Fifty percent of the 2% rebate, $5,322,500 was allotted for the funding of this section of the program which includes the Ontario Sires Stakes, Trillium Series, Breeders' Awards and a promotion and public relation section. These programs are dealt with extensively elsewhere in this report.

Overnight Purse Supplements:

After provision for equine research, 50% of the 2% rebate, $5,322,500 was declared to overnight purse supplements; as well the additional 2% triactor rebate, $1,851,500 was allocated for overnight purse supplements to the track where it had been generated.

These supplemental purse grants and their payment to the owner of competing horses in Ontario is an encouragement to investors in the Industry to continue to purchase better racing stock; as well these grants help to offset the increasing operating costs of owners.

Thoroughbred

Breed Improvement Section:

In 1983, 35% of the 2% rebate, $2,168,000 was allocated to the Breeders' Incentive Section of the Thoroughbred Program. These monies funded purse supplements to selected stakes races, filly stakes, selected colt stakes, Ontario Sires Stakes races and breeders' awards and the Yearling Sales Stakes.

Overnight Purse Supplements:

Overnight purse supplements in 1983 amounted to 65% of the 2% rebate plus the additional 2% triactor rebate which totalled $4,861,000 over the past year.

By supplementing thoroughbred purses paid to owners, the Commission and the Provincial Government are encouraging owners to continue to compete in Ontario as increased purses help offset increased racing costs and keep Ontario Thoroughbred purses competitive with other jursidictions and one step ahead of inflation.

Equine Research

The Ontario Racing Commission paid $170,500.00 in Equine Research grants to the Veterinary College at the University of Guelph. A total of $100,400.00 was used for research projects and the balance of $70,100.00 was allocated for capital expenditures on the new Equine Research Centre.

The Ontario Racing Commission approved the following Equine Research projects which were carried out by the Ontario Veterinary College under the direction of the Associate Dean, Research and Resources, Dr. R. A. Willoughby.

Performance problems

1–Roaring and pharyngeal paralysis in horses.
2–Studies of colic.
3–Equine anesthesia, electrocardiographic changes and evaluation of combinations of anesthetic agents in clinical anesthesia.
4–Foal pneumonia, effects of antibiotic combinations on the growth of corynebacterium equi.
5–Racing surfaces and lameness
6–Pleuritis in horses, the role of mycoplasmas in the disease.
7–Inflammation and the skin of horses.
8–Chronic respiratory diseases.
9–Virus encephalitis.
10–White muscle disease in horses.
11–The relationship between the development of coagulation abnormalities and failure to survive.
12–Thyroid gland function.

Breeding Problems

1–The effectiveness of a hormone implant to maintain progesterone levels in the mare.
2–The relationship between semen characteristics and fertility in standardbred stallions.
3–Use of hormonal and sexual stimulation in the diagnosis of cryptochidism.

Note: A summary of the results is available from the Commission Office or the Ontario Veterinary College in Guelph.
